Wasatch County Commission
25 North Main
Heber City, Utah 84032

Dear Sirs:

This letter is in response to a newspaper story published recently in the Salt Lake Tribune, indicating that you were attempting to obtain information on those veterans from Wasatch County who served in the military during wartime, to be part of the replacement of plaques stolen from the Memorial Hill. As you are aware, I am sure, the original plaques listed only those who served in World War I. I am sure that all veterans will be happy to know that their names will be included with the World War I names.

My name is William Ray Haueter..I was born in Midway, Utah, later graduating from Wasatch High School. I served in the United States Navy as a Gunners Mate Second Class, during World War II, seeing action in the Pacific Theater of War. I served from January 1944 to March 1946.

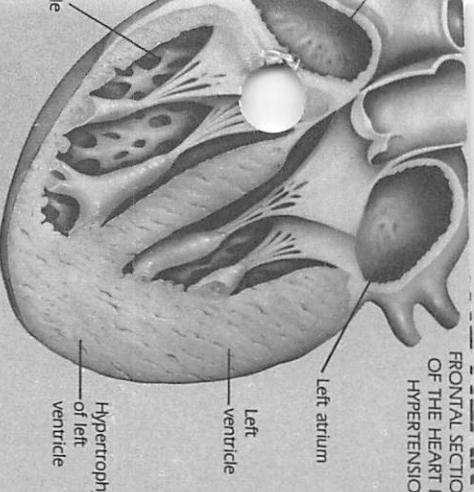

Hoping this is the information you desire and assuring you of my cooperation at all times, I remain

Sincerely

W.R. Haueter
